## Experience

### Wiivv, Visual Designer

Jun 2016 - Present

Designed branded ephemeral pieces (sellsheets, coupons, and pamphlets), tradeshow display pieces, email templates, and product packaging. Updated and maintained the Wordpress website, Shopify theme, and Hubspot landing pages.

### Rise, Junior Designer

Jan 2016 - Jun 2016

Illustrated images for company's blog, social media pages, and eBooks. Designed and typeset eBooks. Prepped creative work needed for monthly webinar sessions, which included building landing pages, presentation slides, illustrations, and also edited the presentation video as a post-webinar task.

### BlackBerry, Graphic Design Intern

May 2012 - May 2013

Designed print and digital collateral for the Marketing team. Applied the brand design guideline to all projects. Received mentorship from the Creative Director and senior designers in the Creative team.

## Education

### Simon Fraser University

2009 - 2014

Bachelor of Arts - Majored in Design at the School of Interactive Arts and Technology and minored in Print and Digital Publishing.
